

Boulder Aquateens Synchronized Swim Team

Dear Friends & Local Businesses:

Please help support young athletes in Boulder County.

BECOME A BOULDER AQUATEENS SPONSOR!

The Boulder Aquateens Synchronized Swim Team includes swimmers from Boulder, Louisville, Lafayette, Longmont, Broomfield and other surrounding communities. We serve many families in your area of business!

We have been swimming for over 35 years. Our organization is a member of the US Synchronized Swimming Association. With over 40 swimmers, BAT supports girls ages 6 to 19, in developing strength, coordination, leadership, and teambuilding skills. We compete at the local, regional, state and national levels.

Sports Illustrated Magazine has described Synchronized Swimming as:

"...requiring a distance swimmer's endurance and a speed swimmer's strength. Throw in the control needed to suspend breathing for up to a minute and synchro is one of the toughest sports around...This sport has substance - even grit - beneath the surface."

Our girls love this sport, swim up to 15 hours a week, and are in top physical form. However, while many young athletes have easy access practice fields or gyms for training, our team must rent limited and expensive pool space. Some would-be swimmers cannot afford to participate due to the rising costs of pool fees in our area.

For this reason, we are seeking community partners to support our talented athletes. Our goal is to raise \$15,000 to help defray the high cost of pool rental fees. Funds will also aid our scholarship fund for swimmers in financial need. Please become a Boulder Aquateens sponsor to help us meet this important goal! **Boulder Aquateens is a nonprofit 501(c)(3) organization** and all contributions should be tax deductible.

If you can help us, please return the attached sponsorship form, donation, and your company logo to the address provided. Please e-mail Debra Pentz at CRCPentz@me.com or Brenda Roberts at brendaroberts125@msn.com with any questions. In the alternative, you may contact Brenda directly at (303) 903-1703.

Respectfully,

Debra Pentz
2011-2012 Team Sponsorship Chair
