

You have been flocked by the Boulder Aquateens Synchronized Swim Team. Flamingo flocking is one of our fundraisers to raise money for travel expenses.

To have the flock removed, please call Linda at 303-440-5024.

The following are suggested tax-deductible donations. Of course, you could donate more if you wish (donations are solicited but not required).

\$15 to have the flock removed.

\$25 to have the flock removed and name who gets flocked next.

\$20 for flocking insurance which protects you from being flocked again.

Thanks for helping us and for your sense of humor.
